

Welcome 7TH

This year we've become more of an extended Festival 'Season' than a shorter time-frame of events purely because of time, venue, and artist constraints coupled with a number of excellent events which deserve your enjoyment.

Eclectic in content and covering a myriad of musical genres, a Campfire Convention, World Premiere, and a wee bit more – you are the judge and jury but everyone involved hopes you'll enjoy it.

The Season is dedicated to the memory of Julian Sluggett without whom the theatre-side of WemsFest would never have existed and I'm particularly delighted that the newly-formed Emsworth Players are involved and that you have the opportunity to attend a World Premiere of 'When the Poppies Bloom Again'.

We've a new venue – Emsworth Sports & Social Club – centrally located, with a great atmospheric room, good bar and car-parking. As always, we are grateful to Carol Waldron and her staff at Bookends (Emsworth) for being our physical box-office and their continued support of events in the Emsworth area. We also have 2 new box-offices located in Havant, and Hayling Island (see Booking Information).

We're continually adding to the ongoing programme – the best way to be fully upto date is to email us at wemsfest@btinternet.com and we'll ensure this.

Thank You for supporting live, community-based events !

Best wishes

Mark Millington-Ringwood

(Artistic Director)
